### ***NY1 Online: Exploring The Political Fights At The World Trade Center Site***

By: NY1 News

**NY1 VIDEO:** Inside City Hall's Errol Louis got a preview of the new documentary "16 Acres" about the struggle to rebuild the World Trade Center site from a panel that includes the architect of the World Trade Memorial, Michael Arad; architecture critic Philip Noble, the author of the book "Sixteen Acres: Architecture and the Outrageous Struggle for the Future of Ground Zero;" and the director of the film, Richard Hankin.
